

# SPEAK EASY

## Marcelle Bernard's - Self-Esteem Building, Confident Communication & Leadership Program for your students

**School Comments** (The following schools gave it 10/10 & highly recommended)

"I thought Speak Easy, was probably the most valuable performance I have come across for Year 5 and 6 children." **Ballarat & Clarendon College VIC**

"Fantastic performance. Marcelle is a great communicator and demonstrated excellent interaction with the students. They loved it and have learnt some strategies for public speaking they have put into practice! (Yr 3-7) **Linden Park Primary SA**

"They loved it – the children were engaged and actively listening throughout the whole show. Marcelle is very vibrant and exciting as a presenter". (Yr K-6)

**St Joseph's Primary, MacLean NSW**

"The staff and students thoroughly enjoyed Marcelle's visit and all benefited from her entertaining and informative presentation." (Yr 2 - 6) **Girton Grammar School VIC**

### The Performer

A sought after International Speaker, Author & Distinguished Toastmaster, Marcelle Bernard DTM presents her popular "Stand Up Speak Easy" Communication Workshops to schools all over Australia & New Zealand. Passionate about giving young people the tools to build their own self esteem, Marcelle has entertained & educated over 330,000 school students since 1996. As one of Australia's top female speakers, she also facilitates "Youth Leadership" and 'Power Speaking' programs with senior students.

### Lower Primary: Yrs 2- 4

### 'STAND UP & SPEAK'

65 min

An introduction to confident communication & speaking in public. Using humorous stories & audience interaction Marcelle concentrates on developing basic skills and building confidence. The program includes:

- Attitude, Vocal Variety, Body Language, Facial Expression & using Presentation Equipment.

### Combination Primary: Yrs 2- 7

### 'CONFIDENT COMMUNICATION'

75 min

Via entertaining tales and group audience interaction Marcelle concentrates on how useful and fun Public Speaking can be. The presentation includes:

- 'Stand up and Speak program above.
- 5 Effective Listening Techniques, Feedback & Evaluation skills.
- 24 Confident Communication Strategies, Impromptu speaking & presentation skills.

**Guaranteed Results:** Students will have a fun & positive experience of Public Speaking. They will have enjoyed humorous stories & have been exposed to simple practical tips on how to Look Good & Sound Good while speaking in their day-to-day lives.

**Typical Results:** Students are armed with the Tools, Rules & Weapons of Confident Communication. They leave a lively & interactive session inspired & excited, with skills that they can use immediately in school, in later study & both socially & professionally throughout their lives.

**Long Term Results:** With practice Students can overcome nerves, gain a positive attitude & become more confident. Learning to express their opinions, ideas & beliefs raises their self-esteem. The impact on all areas of their lives is amazing.

### Dept. of Education Publication

"Marcelle Bernard offers a variety of interactive workshops on public speaking, speech writing and communication. Marcelle's vibrant personality, sense of humour and professional presentation capture and hold the attention of students and teachers. Her rapport with the audience encourages participation and involvement. Highly recommended."
